Sir,

Re Pol 124

Adverting to Government Order No. G. 13855-6/Police 103-18-2 dated the 9th January 1919 sanctioning an additional temporary establishment of one Duffedar and 6 constables for watching the movements of the gangs employed on the construction work of the Chickjajur-Chitaldrug Railway, I have the honor to state that a temporary establishment of 2 Duffedars and 12 constables at a cost of Rs 142/- as per margin is on the whole at present employed on the work.

2 Duffedars at Rs 15-0-0 each	Rs 30/-
12 Constables at Rs 9-0-0 each	" 108/-
Contingencies	" 4/-
	Rs 142/-

2 The work of this line which is now completed and is open for goods traffic and will soon be opened for passenger traffic.

3 The establishment hitherto employed in watching gangs will not be necessary hereafter as the gang will disperse but in their stead a separate establishment will be required for Protection, Prosecution and investigation work on the newly opened line.

4 I enclose a statement showing the existing and proposed staff resulting in an increase of Rs 31/- per mensem or Rs 372/- per annum.

5 The requisite establishment for the future is arrived at on the data and duties at present carried out on the Birur-Shimoga line.

6 Chitaldrug being the Head Quarters of the District will be an important station requiring the services of 8 constables for duties similarly to Shimoga as per margin. The other stations are given each one constable while 2 constables and a Duffelar are so stationed at Chickjajur as this is a junction with the Madras and Southern Mahratta Railway line and all gangs and suspects arriving by that line have to be received and dealt with here. A list showing the duties of the 12 constables is attached.

2	Platform duty.
1	Off side platform duty.
1	Station writer.
1	Goods shed watch.
2	Travelling by train.
1	Station sentry.
8	

7 It will be seen that the proposals include the reduction of the present number of Sergeants to one, while the increase in the cost is greatly due to the provision for an Investigating Officer of the grade of 1st Grade Jamedar for the line.

8 As the line will shortly be ~~finally~~ formally opened for passenger traffic, I request the early sanction of Government may kindly be obtained to these proposals, the extra cost for the next four months amounting to Rs 124/- being met from the head 'Executive Rural Police' and necessary provision made in next year's budget.

I have the honor to be,

Sir,

Your most obedient servant,

Ch. Inspector General of Police.

=====

Adverting to your letter No. C. 1858 dated 6th May 1921 regarding the policing of the Chitaldrug-Chikjajur Railway line, I have the honor to bring to your notice that this District is always subject to the frequent depredations of Foreign Criminal Gangs of the Dharwar , Bellary and Ananthapur Districts and hence there is absolute necessity to maintain the Police Force at full strength for the efficient discharge of ordinary and emergency duties. Special patrols to safe-guard the high roads and jungle searches have to be frequently organised, whenever dacoties and burglaries are on the increase in this District or in the adjoining parts of the Madras or Bombay Presidencies.

Government having fully recognized this, have recently strengthened the force for the towns of Davangere and Chitaldrug and to this day, the location of a dangerous gang of gantichores in Arsikere of Harapanahally Taluk, Bellary District, is a source of great danger to the adjoining Taluks of this District.

Owing to the precarious rainfall in this District, as well as in Bellary and Ananthapur, there is always a contingency of an outburst of Crime at any moment which we must be prepared to face. This District furnishes one of the main-gate-ways for the notorious gangs of the Ceded Districts to gain access into the Mysore State and therefore require extra policing of all frontier stations and outposts.

Under these circumstances, I am of strong opinion that it is inadvisible to reduce the sanctioned strength of this District to find men for the newly opened railway line. It may be that owing to the casualities and the constant flow of new recruits enlisting and deserting, there are occassionally vacancies and the full amount budgetted for this District according to the sanctioned scale is not spent.

Any savings in this direction will have to be ultimately utilized for giving a Sub Inspector to each of the Kasaba Stations of Hosadrug

and Molakalmuru, where the Inspector is the only officer to investigate and prosecute cases. When he is away to attend Courts, there is none even to investigate cases.

I shall forward separate proposals in the matter in due course.

Sir,

With reference to your letter No, G. 24745/Pol 124-20-4 dated 21st June 1921 enquiring whether the cost of the proposed Police staff for the Chitaldrug-Chikjajur Railway line, cannot be met from the normal Budget grant, I have the honor to state that the Budget of this Department has been prepared on the lines of strictest ---- economy and cannot meet this extra cost. But as there is difficulty to provide the extra funds, and as the line is only recently opened and the Chitaldrug Station has not assumed the same importance as that of Shimoga and according to the requirements of which the staff was provided for the Chitaldrug Station. The District Superintendent of Police, Railway, reports that the number of constables for that Station may, for the present, be fixed at 5 instead of 8 and the contingent amount be reduced to Rs. 6/- instead of Rs. 10/-, so that the cost of the reduction now proposed would be for

3 constables at Rs. 9/- each	Rs. 27/-
Contingencies	" 4/-
	Total Rs. 31/- which would

bring the expenditure down to Rs. 142/- per mensem which is the present cost of the staff employed on the line.

A fresh proposition statement is enclosed and I request that early sanction of Government to this revised proposal may be obtained
